HISTORY

OLP: 100 Years of History

In 1870, Father Antonio Ubach, pastor at the historic Mission San Diego de Alcalá, contacted the Sisters of St. Joseph of Carondelet and asked that they send some of their members to open a school in San Diego, a little California town with less than 3,000 residents.

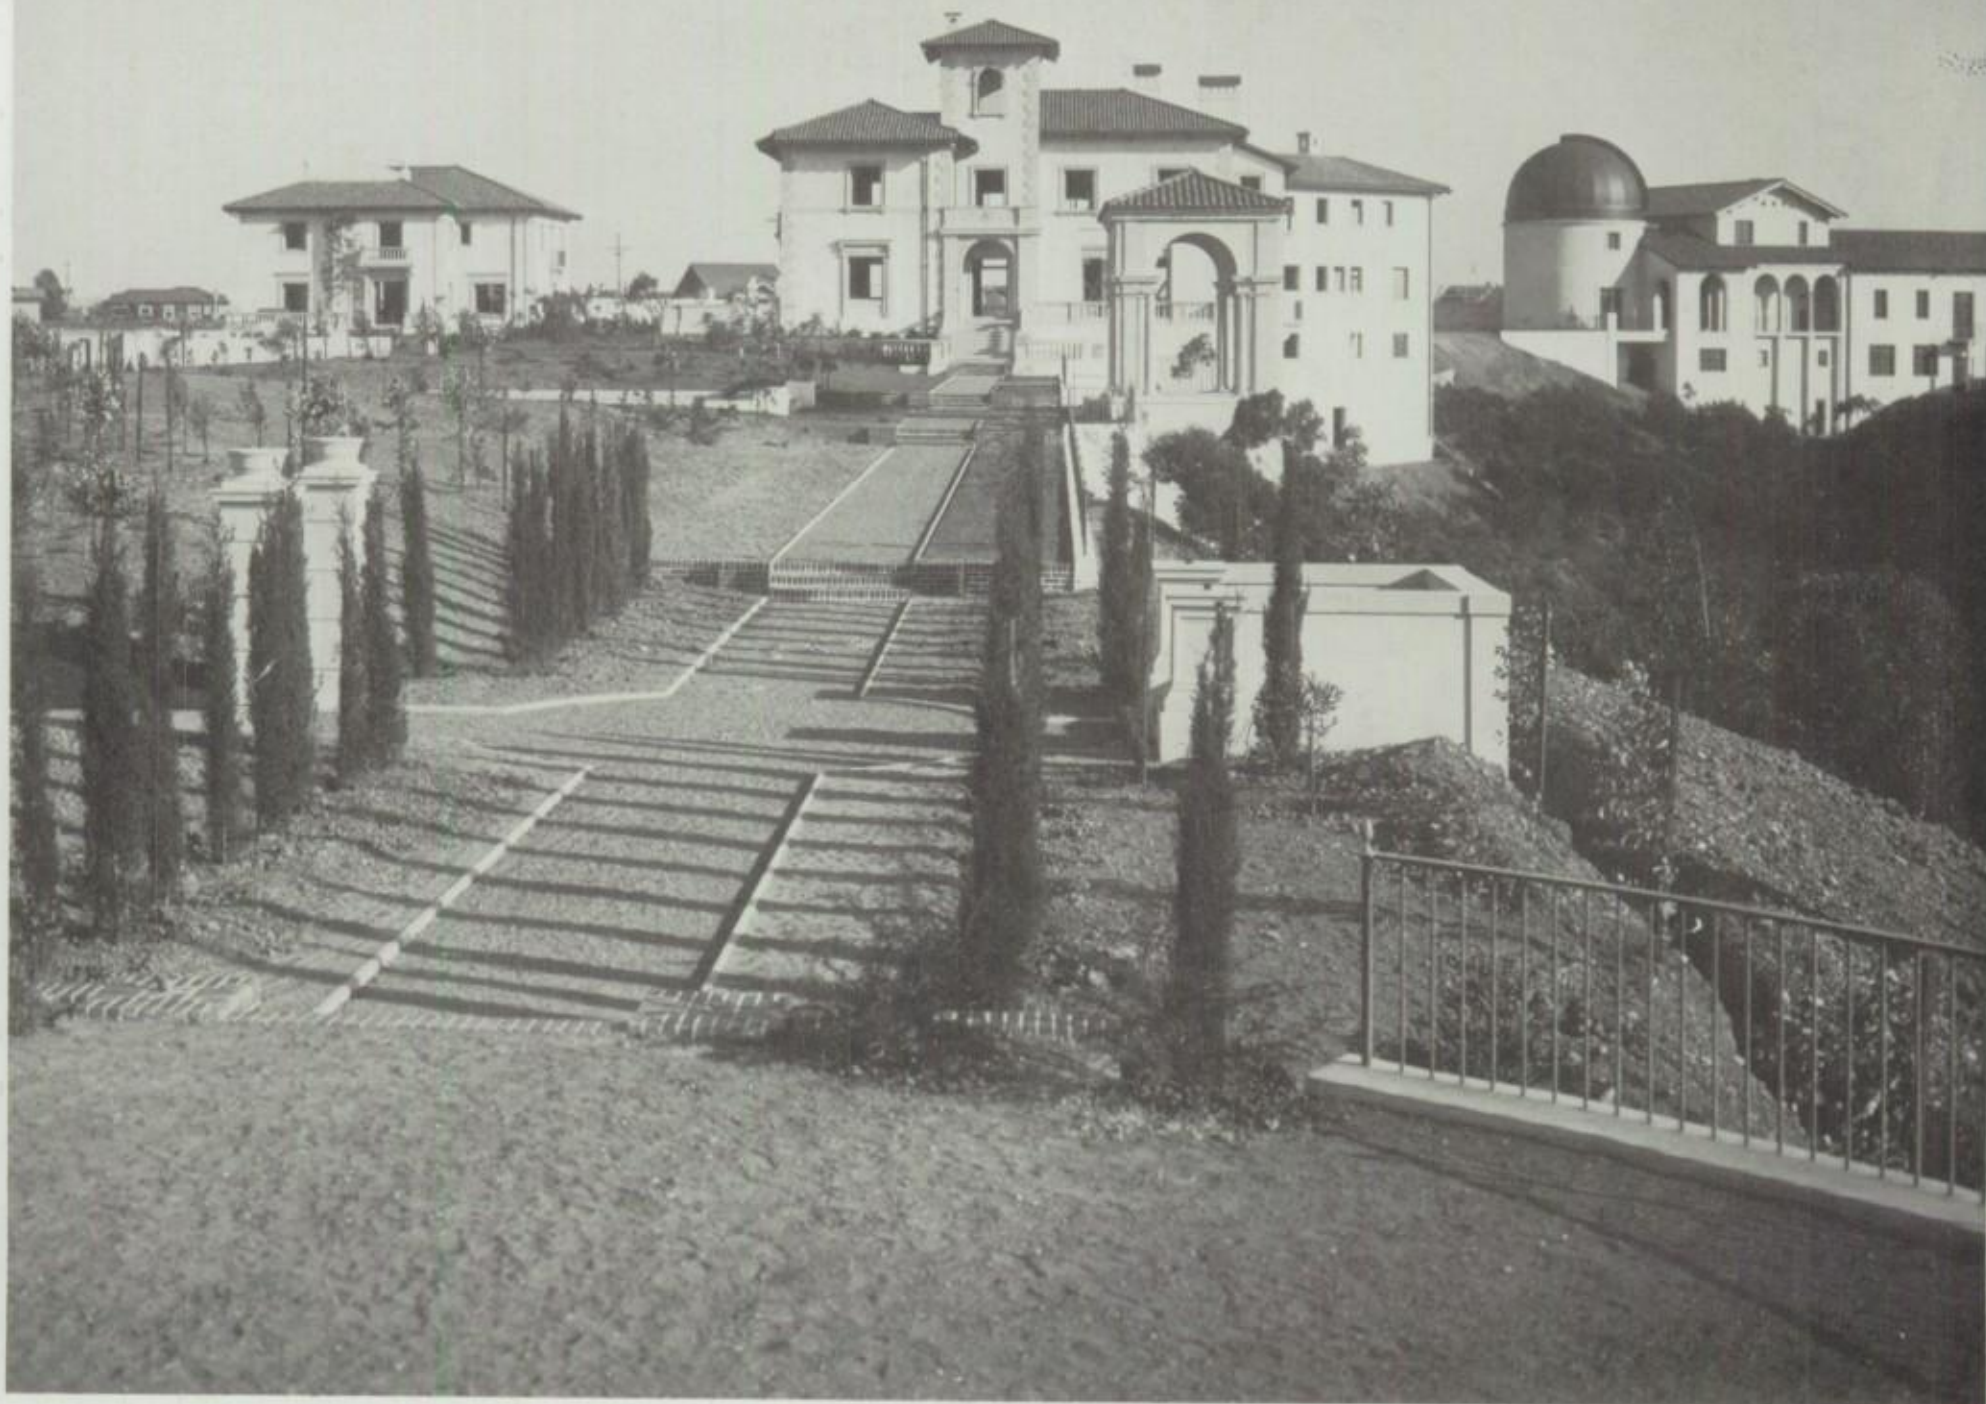

From St. Louis, Mo., where the order of sisters was based, the Reverend Mother Agatha replied that she could not send anyone to San Diego because it was "too far away."

Far from being discouraged, however, Father Ubach began praying with great dedication to St. Joseph. Twelve years later, after first refusing several more pleas from the priest, Reverend Mother Agatha finally gave in. "Anyone with such devotion should have his prayers answered," she said.

Above: Construction on the Vandruff Estate, which began in 1916, was halted by the outbreak of World War I, leaving this cluster of partly completed buildings and unfinished landscaping; Right: The building which would become Carondelet Hall was just a shell, with no windows or doors; Opposite page top: There was only an open space where the chapel now stands; Opposite page bottom: What is now St. Catherine's Hall also was nothing more than a shell.

The history of the Sisters of St. Joseph of Carondelet in San Diego thus begins on April 18, 1882, with the arrival of Mother Ambrosia, Sister Eutychniana, Sister Amelia and Sister Coletta.

Less than a month later, on Wednesday, May 10, 1882, the sisters opened their first San Diego school in a small frame house at Second and G Streets. Twenty-eight girls and two boys were in attendance on that, the first day of existence for the Academy of Our Lady of Peace.

Once established, the sisters soon sought larger quarters for the Academy. On Feb. 13, 1884, a block of land bordered by A, B, Second and Third Streets was purchased for \$5,000 with the financial assistance of friends the sisters had made in San Diego.

The property, included on it a house that was soon converted into a combination school and convent. The sisters moved into their new home June 17, 1884.

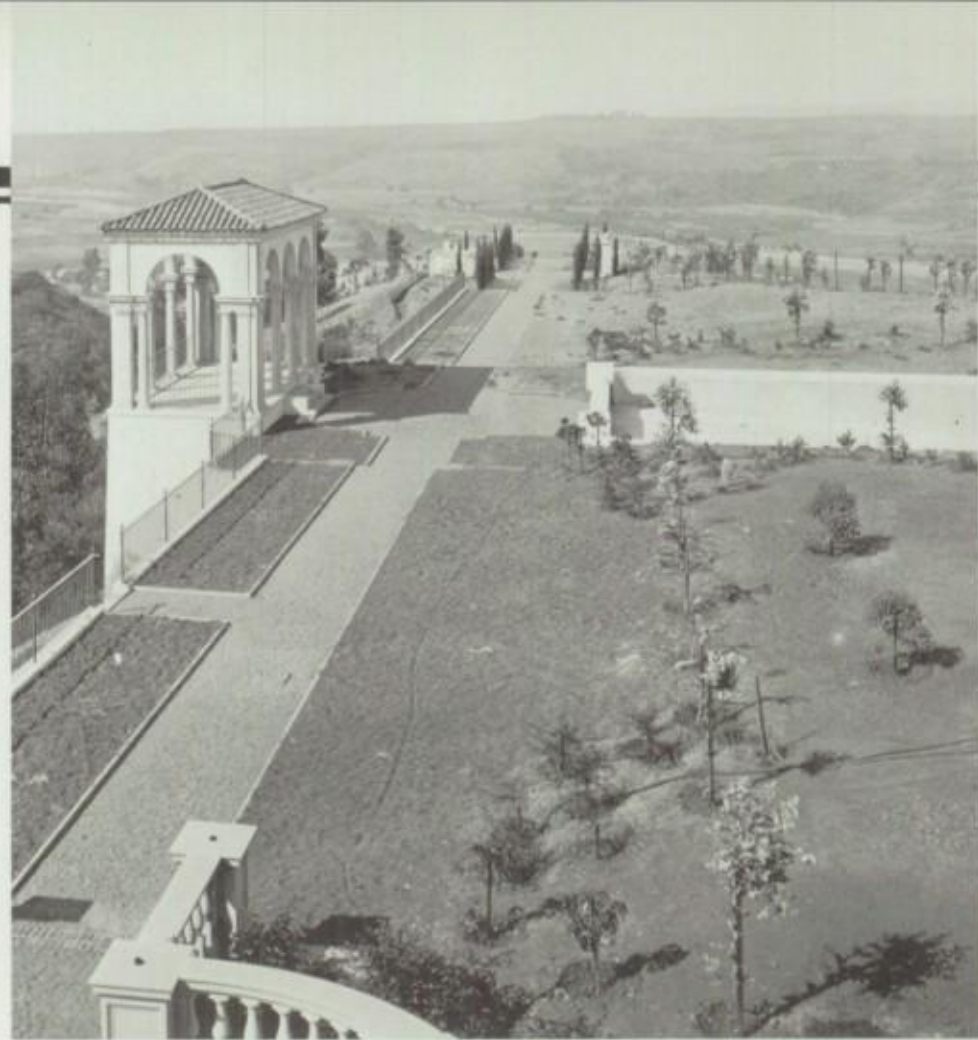

Between 1884 and 1886, San Diego had a boom period which saw the population of the city grow from about 5,000 residents to almost 40,000.

Once again, the Academy needed larger quarters, so in 1887, four lots from the school's property were sold for \$18,500. The money was used to construct a large building on the southwest corner of Third and A.

Finished in December of 1887, the new building, too, was soon filled to capacity so a hall containing a large auditorium, as well as art and music rooms was built in 1892.

By that time, San Diego's boom had become a bust, and the population had fallen below 17,000. But the city was one that wanted to grow, however, and by 1920, there would be nearly 75,000 residents crowded around the Academy.

Again it was time to search for a new location. In April of 1914, property was purchased in Mission Hills and plans were drawn for a school.

Opposite page top: Trees and shrubs had been planted on the estate, but were still small enough to offer an unobstructed view of undeveloped Mission Valley; Opposite page bottom: All of the paths and walkways had been laid out and smoothed, but today's lawns had not yet replaced the weeds and rocks; Above: Then, as now, the peristyle at the south end of the pool was a prominent part of the landscape; Left: The pool itself was finished, but the trellises had not yet been attached to the walls of the dressing room building.

Above: By the time the Sisters of St. Joseph bought the Vandruff Estate in 1924, the only real change was in the size of the shrubs, bushes and trees; Right: Trellises had been installed on the building adjacent to the swimming pool and vines were growing on them; Opposite page top: The area between what would soon become St. Cecilia's and Carondelet Halls was being overrun by bushes and vines; Opposite page bottom: What eventually became Lower Court was just a canyon.

For a variety of reasons, however, most of them involving money, work was never begun at the Mission Hills site. Therefore, when the sisters learned of the availability of a partly finished estate on 20 acres overlooking Mission Valley, they were able to change their plans and open negotiations for the purchase of the property.

The Mission Hills location was sold, and although some trouble was experienced in securing the rest of the \$77,000 needed to buy the new property, the money eventually was raised and the Sisters of St. Joseph of Carondelet became, in 1924, the new owners of what had been known as the Vandruff Estate.

The sisters christened the site Villa Montemar, and work was begun to transform the property into a new Academy of Our Lady of Peace. In the meantime, the education of young women continued at the old Academy until its last graduation ceremonies in June of 1925.

At the new location, the three buildings begun by the Vandruff family, today named St. Catherine's, Carondelet and St. Cecilia's Halls, were completed and three others were built, including the chapel and Aquinas and St. Margaret's Halls.

The first classes were held in September of 1925, although the formal opening and dedication ceremonies did not take place until May 14, 1927, with Bishop John J. Cantwell of the Diocese of Los Angeles and San Diego presiding.

Today, 55 years and a few construction projects later, the Academy of Our Lady of Peace is 100 years old, and the words of 1927 newspaper account are still true: "In perfection of parts, solemnity of scenic attraction and adaptability to the purpose of an academy, it will never be excelled. It has a setting which all the wealth of the world cannot purchase, made of blue California sky, quiet valleys and the silver sea, with God's dear peace over all."

Opposite page top: When the newly completed Academy of Our Lady of Peace opened its doors to students in September of 1925, all three of the adjacent corners at Oregon and Collier were still vacant; Opposite page bottom: With the exception of the soon-to-be-removed observatory dome on St. Cecilia's, this aerial photo taken shortly after the school opened shows the campus as it would look until the late 1950s; Above: The chapel was built in time for the opening of the school, but the area behind was just a canyon until it was filled in to create Lower Court in 1958; Left: The most recent addition to the OLP campus is St. Joseph's Hall, which was completed in 1965.

Members also must perform some kind of service for their fellow students, such as tutoring.

GAA

The largest club on campus, the Girls' Athletic Association also is the most active. The GAA held four major projects this year, including its annual Halloween Carnival, the olympics, a sports banquet and regularly scheduled intramurals. The club's moderator, Ms. Pauline Carbone, helped keep the officers and activities organized. "It's great that the GAA is so active," said Annie Nagem, the GAA vice president. "Even people who aren't athletic can get involved."

Tennis

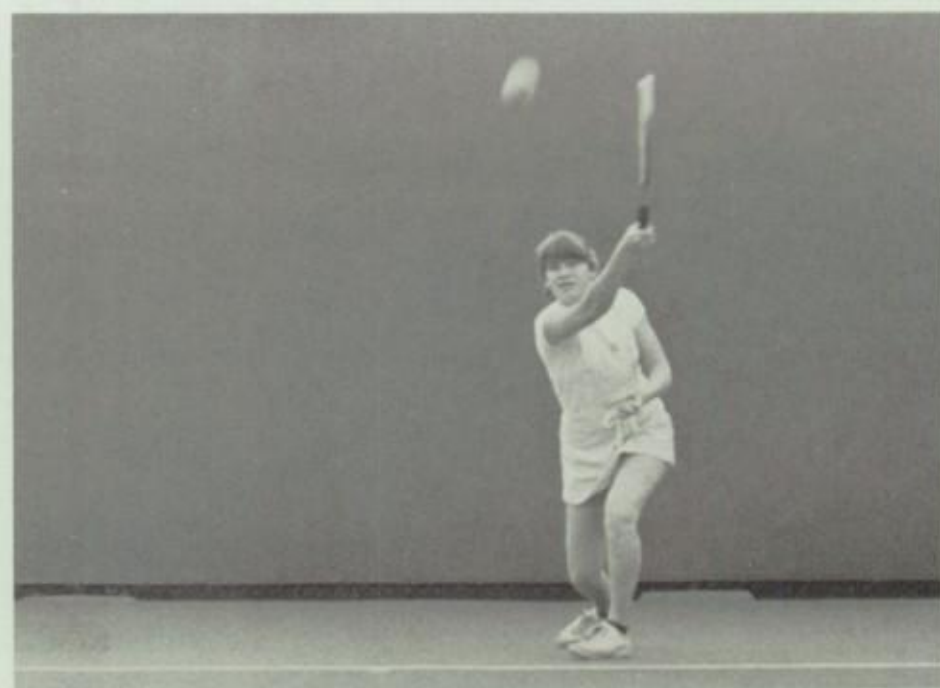

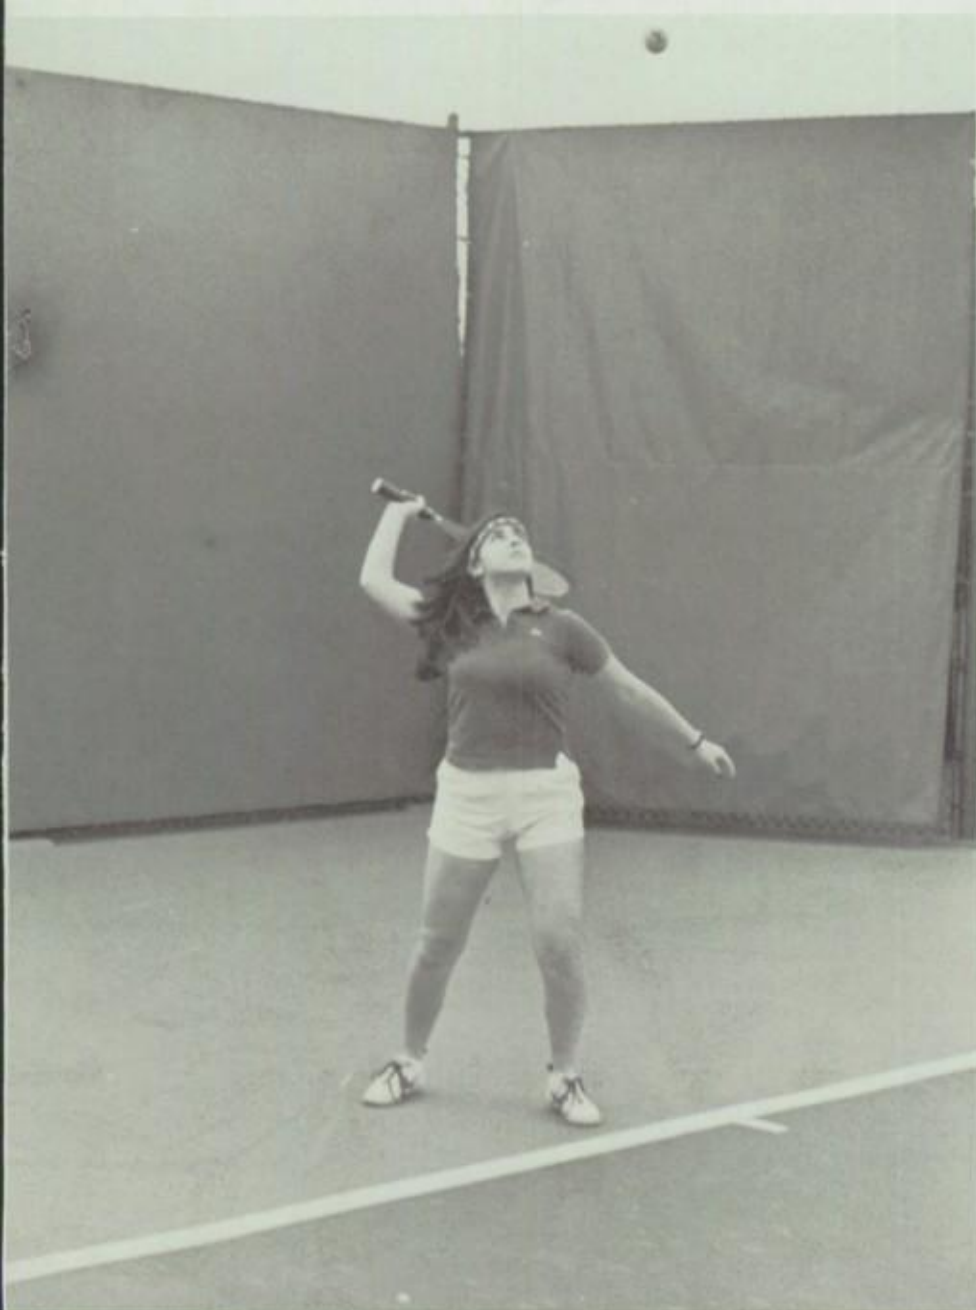

Fun was the name of the game this year for the tennis team. Despite an unsuccessful 1-14 season, the team never gave up. The players showed true OLP spirit. The team was coached by Miss Margaret Wiedower and led by senior Sandra Williams, who won the Central League singles championship. "Even though we didn't win, we had a lot of spirit," said senior Alison Priske, "and we always had a lot of fun."

Volleyball

OLP's volleyball team displayed unity during this year's winning season. Chris Sorgi and Mary Sawaya led the team as co-captains. At the end of the 6-4 season, Chris was chosen for the Central League second team. Another player, senior Annie Nagem, was awarded honorable mention.

Dance

Dance was an exciting experience at OLP this year. Students who took Aerobic Dance or Exploration of Dance were involved in an exercise program that added to both their energy and their personalities. Those in Dance Production contributed a large portion of the "Everything Is Dance" assembly. During that production, sophomore Michelle McLaughlin spoke the lines, "Everything is dance; every moment, every gesture."

Above: Marie Ederer, Laurie Spence, Elizabeth Winfield, Kari Evenson and Susie Goulart dance to "Bizet Has His Day" during the "Everything Is Dance" assembly; Right: Dance classes at OLP include not only skilled dancers, but people who just like to jump around and have fun.

Drama

The Drama Club showcased the talents of a number of dedicated students. Club members performed in "Everything Is Dance," "You're a Good Man, Charlie Brown" and "Up the Down Staircase." Much of the credit for the excellent performances should go to the club's moderator, Mrs. Niki Simpson. Talented freshman Janelle Twomey said, "Drama is a way to express my feelings. It is a challenge and I love it!"

Left: Mrs. Niki Simpson; and the Drama Club brought plays back to OLP; Below: From left, Margaret Hollohan, Alise Amour, Ana Maria Parra, Jackie Kleinhesselink, Molly Sullivan and Aide Ripa portray faculty members during "Up the Down Staircase."

French — Spanish

The French and Spanish Clubs and the Spanish Honor Society are groups in which students can mix cultures. These organizations are designed to let students explore various aspects of France, Spain and Mexico. "We mix cultures by using the language of other countries, like saying 'Bon jour!' to each other in the halls," said sophomore Carolyn Ratone, the French Club's president.

Glee — Choral Ensemble

The Glee Club and Choral Ensemble performed magnificently throughout the year. Under the direction of Sister Consuelo Aguilar, the two clubs sang at school assemblies and performed in "Everything is Dance." The clubs also traveled to Los Angeles in March to participate in a choral festival. Lisa Antone, a Glee Club member, remarked, "I enjoyed performing. The Glee Club and Choral Ensemble were outstanding."

Altar Girls — Music

The Altar Girls Society and the Music Club showed dedication at the beginning of the year. Before the Thursday Masses were eliminated, both groups provided their services to make the Masses more efficient and enjoyable. The two clubs also prepared for and served at the assembly Masses. Sister Consuelo Aguilar, moderator of the Music Club, said the members were "very dedicated and enjoyed singing.

Apostolic Involvement — Audio Video

Apostolic Involvement and the Audio-Video Club offer service at OLP and out in the community. Audio-Video trains students to use A-V equipment, while Apostolic Involvement places students in service projects. As Father Patrick Grace explained, "Every Christian is called to serve God. We do that by serving the community."

Above: Apostolic Involvement students go out into the community to serve others; Left: The Audio-Video Club included, standing from left, Susan Cabrera, Elizabeth Carry, moderator Sister Ruth Garbani, Elizabeth Bengs, Colleen Guilbault, and sitting from left, Cecilia Esquibel, Monica Hauck, Yvette Lee and Pauline Hauck.

Student/Faculty — ASB

Improvement is always important to the Student/Faculty Board and the Associated Student Body officers, since both groups serve as bridges between students and the faculty. "This year the ASB tried to improve communications with the teachers, as well as things around OLP," said Commissioner of Clubs Lisa Manzer.

Above: Standing from left, Miss Margaret Wiedower, Pilar Cardenas, Lisa Manzer, Amelia Blackshear, Alison Priske, Miss Melinda Blade, Patty Fallon, Mrs. Gretchen MacDonald, Sister Dolores Anchondo, and seated from left, Kim Hastings, Miss Rose Fegley, Kari Hill and Patty Deyling. Pilot Cheerleaders

The Pilot cheerleaders had a year filled with pride. The girls attended volleyball games and sold Christmas Candy Grams. They led the school at rallies and represented the pride of OLP. The addition of Kathleen O'Connor as Snoopy also was a big spirit booster. "I feel that OLP's enthusiasm is something to make each student proud," said Cathy Allen, the head cheerleader.

Saints Varsity Cheerleaders

Cheerleading for Saints requires a great deal of enthusiasm. "The enthusiasm of the crowd was a reflection of our dedication," said Michelle Parra. Saints may not have won many football and basketball games this year, but the cheerleaders' enthusiasm won every time.

Left: Punkin Avalos and Mary Miller perform during a time out; Below: From left, Laura Sullivan, Angela Kirwan, Paula Kirwan, Lisa Gonzalez, Punkin Avalos, Michelle Ferreira, Mary Miller, Michelle Parra and Julie Lakin.

Pep — Saints JV & Frosh Cheerleaders

The Pep Club and Saints' junior varsity and freshman cheerleaders showed enormous support this year. They attended games with dedication and boosted the spirit of both the teams and the crowd. Pep Club President Karen Rauber said, "We had incredible enthusiasm and were really proud of the support we gave our team."

Magazine Drive

For the third consecutive year, the Class of '83 won the Magazine Drive. It began Sept. 18 at an assembly in which Sister Dolores Anchondo and Mr. Chuck Erickson encouraged each class to try hard to reach the Super Goal. As the drive progressed, the spirit of each class was demonstrated by their hard work and determination. The Juniors were named the winners at an assembly Oct. 2.

Fall Fling

The second annual Fall Fling, held Nov. 6-8, gave alumnae, parents and friends of the Academy an opportunity to get closely involved in a school activity. The show, which was called "A Salute to Four American Composers," featured music by George M. Cohan, Cole Porter, Victor Herbert and Richard Rodgers. "I enjoyed being involved with the Academy once again," said Donna Beddow, a member of the Class of '78. "It was fun to be on stage with so many old friends from OLP."

Above: The Richard Rodgers ensemble finishes their segment with "Oklahoma;" Left: From left, Joseph White, Adreana Dawes, Dick Dawes, Marta Lakin, Richard Dawes, Elizabeth Ravenis, Ray Becker and Pat Shea perform the finale for the tribute to George M. Cohan.

Homecoming

Julie Lakin was crowned the 1981 Homecoming Queen on Nov. 6 during half time of Saints' 25-12 victory over Crawford. The next night, Julie and her court, Angie Kirwan, Paula Kirwan and Mary Miller, reigned over a dinner-dance at Cafe del Rey Moro in Balboa Park. Everyone danced to the theme song "Just the Two of Us," which was played by Tasty. For Julie, who said she was "truly honored to be sharing in this Homecoming celebration," and everyone at Saints and OLP, it was a night to remember.

Miss OLP

Dec. 12 was a night of honor for Alison Priske and three other girls. Alison was crowned the 1981 Miss OLP at the annual ball which was held at Tifereth Israel Synagogue. She and her court were chosen as having done the most for OLP. The theme song was "I've Been Waiting" and the band was Presence. Senior princess Minerva Garcia said, "I was very honored to represent my class and be a part of Miss OLP."

Candlelight Procession

A tradition was renewed at OLP on Dec. 16 when the Candlelight Procession was held for the first time since the late '60s. Students in the Glee Club and Choral Ensemble sang Christmas songs, while other students depicted the Annunciation, the Trip to Bethlehem, the Shepherds in the Field, the Three Kings, and the Nativity. "The Candlelight Procession is a tradition that should go on," said Donna Vradenburgh, a participant in the Nativity scene.

Above: Freshman **Kathleen Guilbault**, a pitiful nerd, eats lunch alone; Right: Saints seniors **Bill Russell** and **Pete Conway**, two of the Rave Ups, perform a song on Class Color Day.

Spirit Week

Spirit Week helped get the second semester off to a creative start. The costumes for Kiddie, Preppie, Nerd and Class Color Days were interesting and unique. In addition to the costumes, the ASB provided various activities associated with each day. "Spirit Week was an opportunity for people to come up with crazy ideas and to test their creativity," said senior Yen Ngo.

Left: From left, seniors Donna Lee, Monica Hauck, Lynn Bradley, Chris Bitler, Nora Hermesen, Regina Perrone and Jan Alexander give Annette Kiewiet de Jonge a lift during Class Color Day; Below: Students dance to music by the Rave Ups.

GAA Olympics

Time was a key element in the olympics this year. GAA members spent much of their time preparing and trying out for the class teams. The classes spent hours making posters to show spirit. Down to the last second people tensely waited to hear that the Class of '82 was victorious. Torch-bearer Angela Kirwan said, "People put time into getting everything organized. I think that deserves our appreciation."

Potpourri

Many other activities this year deserved recognition, but for various reasons they could not have their own separate sections. Rather than leave these activities out completely, however, they have been included here as a potpourri of OLP life. The many ceremonies, assemblies and events such as these make OLP not only an educational experience, but a social and cultural one, as well.

The Oracle

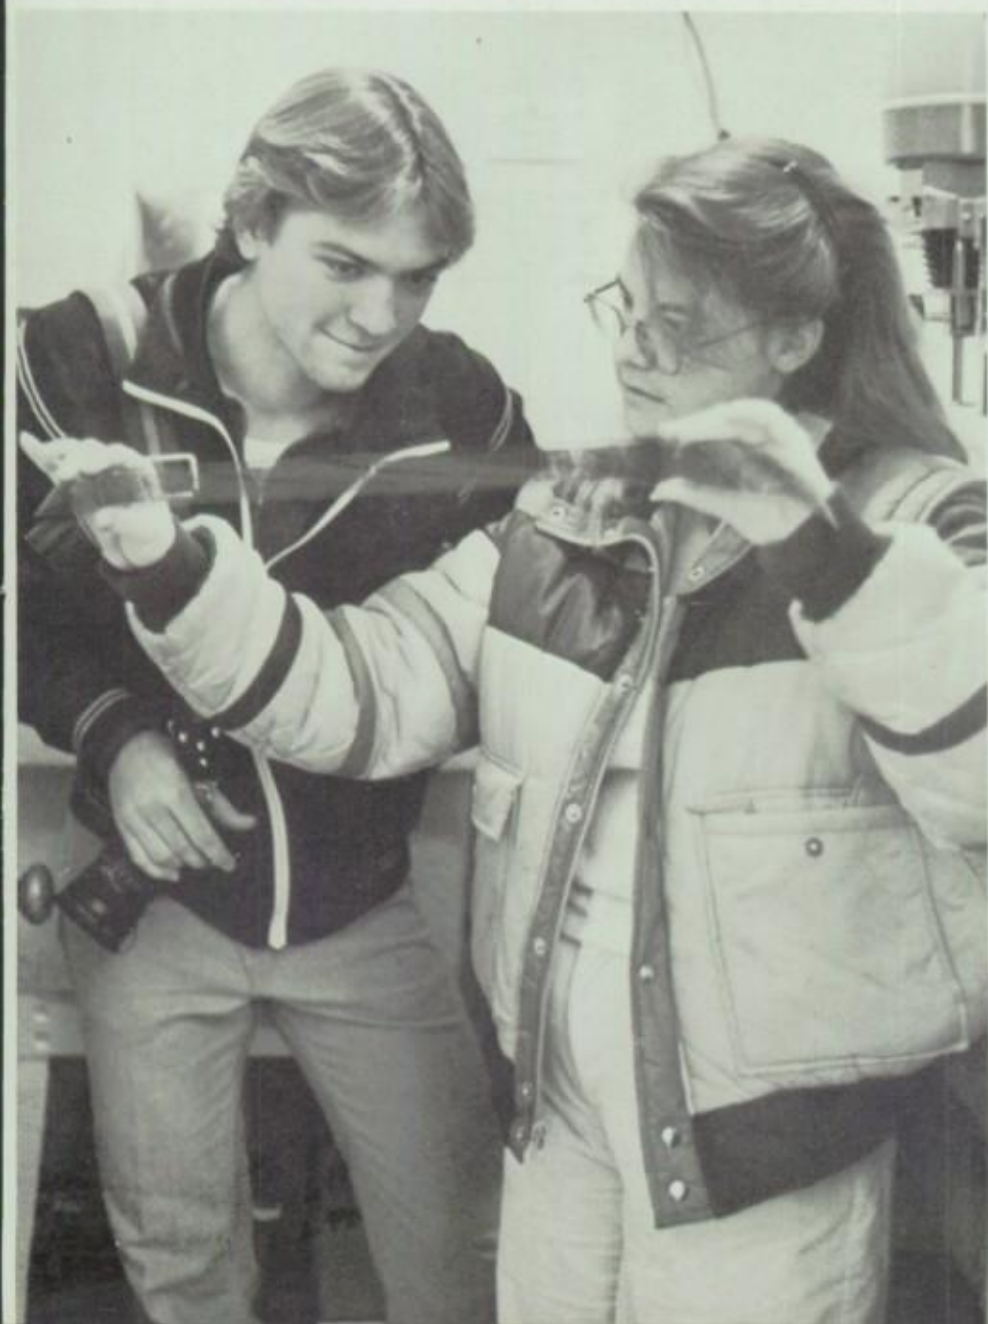

To produce a good newspaper requires determination. The staff of *The Oracle* wanted to give OLP and Saints the best high school newspaper in San Diego, so everyone took a professional approach to their work. Because of that attitude, *The Oracle* was superb. As Co-Editors Ron Davis and Alexa Rutherford remarked, "The staff was determined to make *The Oracle* both informative and enjoyable."

Villa Montemar

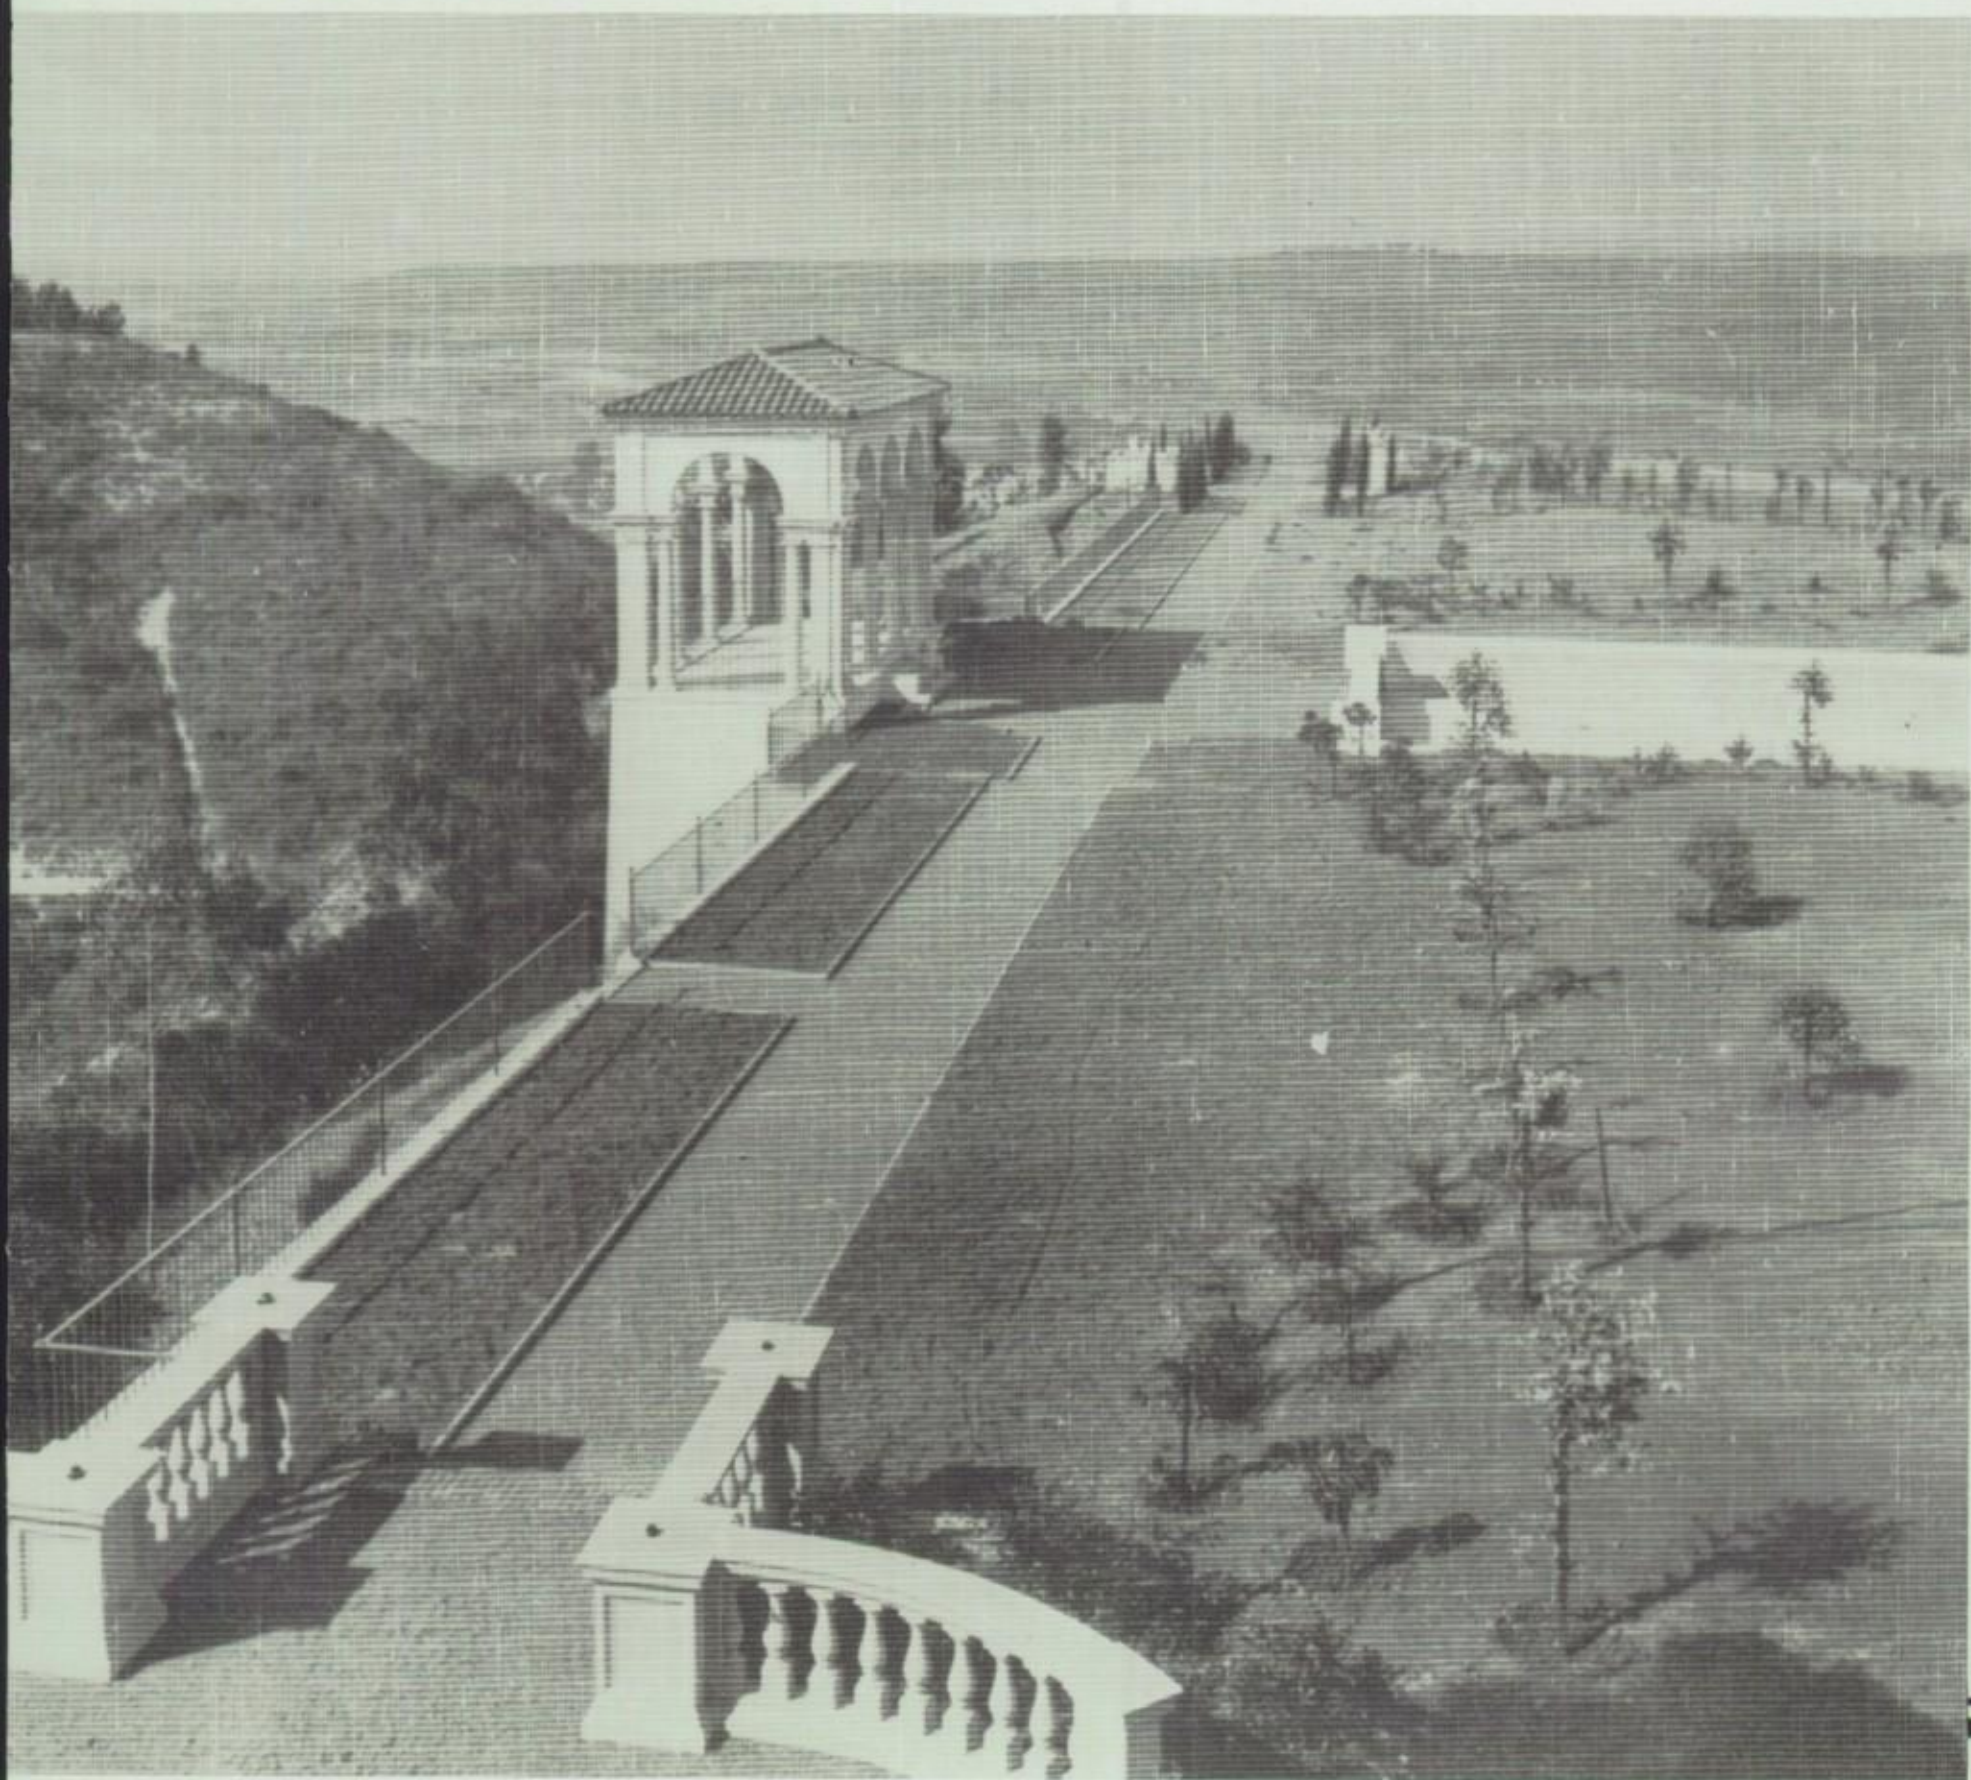

Change is always hard, but to change and improve at the same time, as the annual staff tried to do this year, is doubly difficult. Many members of the staff, including the adviser, Mr. David Matt Green, felt an overwhelming sense of pride and duty in trying to make this *Villa Montemar* perfect. Co-Editor-In-Chief Paige Turnbull explained, "The changes in the annual are for the whole school. You want people to say, 'Hey! You did a good job!'"

Above: This year's *Villa Montemar* staff was larger than any group in recent memory; Left: Tina Asaro and Kim Shea, who compiled the yearbook's index, take turns telling alphabetical jokes.

EPILOGUE

The end of 1981-82

At the close of this centennial year, everyone can feel proud that the spirit of Villa Montemar will live on for the next 100 or 1,000 years. This yearbook would not be complete if those activities which came after the final deadline were not in some way mentioned.

Spring Sing, on March 31 and April 1, united the entire school with "A Hundred Years of Celebration."

The centennial Mass and brunch, held on April 18, and the centennial dinner the following night brought together the alumnae, students, parents and faculty to commemorate OLP's 100th birthday.

The Junior/Senior Prom on May 22 was the moment when juniors were almost seniors, and seniors were almost alumnae.

Grad Night at Disneyland, held on May 28, was the final fling before seniors began to prepare for graduation.

Finally, on June 5, the Class of '82 graduated, leaving OLP, but keeping in their memories the learning, growing and experiencing of Villa Montemar.

VILLA MONTEMAR: Then and Now

The challenge of creating this particular *Villa Montemar* has been an experience of both heart and mind. Only now, as our final deadline draws near, can we fully realize what the year has meant to us.

For many it has been a time of creativity for most it has meant hard work; for some it was an opportunity to become friends with a few people who might otherwise have left OLP as strangers to us. And for all of us it has been a time of change; a time to change and improve both *Villa Montemar* and ourselves.

We have experienced many things together and have learned much about each other and ourselves. We have discovered how to overcome difficulties and be victorious, and also how it feels to fail. We have learned to work efficiently as parts of a team and therefore have become better individuals.

This is a special *Villa Montemar*, not only because it celebrates the Academy's centennial year, but also because special people worked on it. We have discovered the past of OLP and tried to incorporate it

into the present; thoughts of "then and now" have united in our creation. We are proud of our work and feel our effort has been successful.

We would like to express the greatest appreciation to our adviser, Mr. David Matt Green, without whom this book would not exist. We owe much to his dedication and the many extra hours he worked to make this annual what it is. During the year he was not only our adviser and teacher, but our friend as well. Although the 1982 annual staff is the only one he will ever advise, his presence here will not be forgotten.

In closing, we hope you have found merit in our work. Years from now, when you take this *Villa Montemar* down from its shelf, dust it off and recall your aspirations, your memories and your love of OLP; experience your Academy days once again. Our job of remembering is finished; yours has just begun.

— The 1982 *Villa Montemar* staff
